COTATION DES ACIERS

Technical drawing of a rectangular profile, likely a cross-section of a beam or channel. The drawing shows the profile with dimensions and angles:

- Dimensions:**
 - a : Total width of the profile.
 - b : Total height of the profile.
 - c : Thickness of the top flange.
 - d : Thickness of the bottom flange.
 - e_1 : Thickness of the web.
 - e_2 : Thickness of the top flange (inner part).
 - f : Thickness of the bottom flange (inner part).
- Angles:**
 - α : Angle between the top flange and the web.
 - β : Angle between the bottom flange and the web.
